

# Celebrate Creativity!

Our school is excited to offer a unique art project this fall. Each student is invited to submit a drawing from school or use a favorite piece of art from home. Please follow the SilverGraphics Art Guidelines found at: [www.silvergraphics.com/Art\\_Guidelines.html](http://www.silvergraphics.com/Art_Guidelines.html). Families can then order professionally made products imprinted with their child's artwork. We expect to have products by mid December, just in time for gift giving over the holidays. These items make wonderful keepsakes and unique gifts. We are looking forward to this celebration of our students' creativity.
